Note: We ask all youth participating in a summer trip (and especially our scholarship recipients) to regularly participate in a DPC Youth activities throughout the year. We suggest that a youth going on a summer trip attend at least: 3 Youth Groups prior to the Summer Trip and also participate in the Spring BBQ Fundraiser (April 24th) for Summer trips.

Part of DPC Youth's vision for it's youth by the time they graduate is that they will develop connectional relationships with each other, grow deeper in their relationship with God, engage in Christian service and be empowered to serve and share their gifts now and in the future. This doesn't happen overnight! Summer trips are powerful ways to build towards this vision but the Christian life is not a "one and done" type of event, it is a continual, life-long journey of preparation, action, and reflection on our relationships, service and encounters with God and our neighbors near and far.
