

# Wide-Open Doors to a Great Work: Welcoming the Congregation & Community

## Where do I go?

While Decatur Presbyterian Church undergoes planned construction for the Wide-Open Doors campaign, meeting spaces will change and classes will meet in alternate locations. The church will remain open the entire time the work is underway, but ask your patience as we make significant improvements to our campus. Below is a list of planned meeting spaces while construction is performed. Changes are not expected, but if made, they'll be communicated by your group's leader in advance.

Thank you in advance for your patience and flexibility during construction.
